5. Service Scope

Makeup: The \$150 makeup rate applies to non-bridal event makeup / soft glam. Full bridal makeup, highly detailed eye looks, rhinestones, glitter-heavy looks, face/body art, tattoo coverage, or other advanced/custom looks are not included unless agreed in writing.

Hair: The \$135 hair rate applies only when clients for the same event choose the same hairstyle category: **curls, half-up half-down, or bun styles**. Washing, blow-drying, drying wet hair, extensions, hair padding, hair accessories, veil/dupatta placement, jewelry setting, or elaborate bridal hair are not included unless agreed in writing.

Add-ons: Touch-up kits, extra touch-ups, style changes, upgrades, and additional people are subject to Artist availability, may be declined, and must be paid before the additional service begins.

Assigned artists: Yeasmin Bhuiyan is assigned to provide makeup. Hair may be performed by an assistant, second artist, subcontracted hair stylist, or other assigned professional selected by Artist. Artist may bring additional artists or assistants as needed to complete the agreed services.

6. Client Preparation and Setup

Item	Requirement
Makeup	Arrive with a clean face, no makeup applied, groomed/done eyebrows, and no lash extensions unless Artist agrees otherwise.
Hair	Hair must be clean, fully dry, detangled, and free from excessive oils or heavy products. Wet or unprepared hair may cause delays, extra fees, shortened service, or skipped service.
Service area	Client must provide a clean, safe, smoke-free, well-lit service area with a table/workstation, chair, nearby outlet, and enough space for Artist, assigned assistants, tools, and products.
Venue details	Client must provide the room/suite, venue access instructions, parking instructions, and final timeline no later than 14 days before the first service date. Any venue insurance/vendor approval requirements must be disclosed no later than 30 days before the first service date.

Client is responsible for sharing preparation, timing, allergy-disclosure, conduct, and setup requirements with every person receiving services.

7. Timeline, Late Clients, Safety, and Conduct

All people receiving services must be present, ready, and prepared at their scheduled time. Artist may set or revise the order of services to protect the overall timeline. If someone is late, unavailable, unprepared, has wet

hair, has makeup already applied, has lash extensions that were supposed to be removed, or otherwise causes delay, Artist may shorten, modify, or skip that service to stay on schedule.

No refund, credit, or price reduction will be given for services shortened, modified, or skipped due to late arrival, lack of preparation, client delay, guest delay, venue delay, room access issues, or schedule changes outside Artist's control. Client-caused overtime is \$100 per hour, billed in 30-minute increments, subject to Artist availability.

Sanitation and allergies: Artist and assigned assistants will use reasonable professional sanitation practices. Client and all people receiving services must disclose allergies, sensitivities, skin/eye/scalp conditions, medical concerns, recent procedures, or product reactions before service. Artist may refuse or stop a service if it appears unsafe or unsanitary. Artist is not responsible for reactions caused by undisclosed conditions, unknown sensitivities, prior treatments, or failure to follow preparation instructions.

Smoking, alcohol, drugs, and unsafe conduct: No smoking, vaping, hookah, drug use, or open alcoholic drinks are allowed in the immediate service area. Persons actively receiving services may not drink alcohol during application. Artist may refuse or discontinue service for anyone intoxicated, disruptive, unsafe, aggressive, or unable to sit properly. No refund will be provided for services refused or discontinued under this section.

Damages and guest responsibility: Client is responsible for payments, delays, damages, added services, missed services, and policy violations caused by Client, service recipients, guests, children, pets, venue staff, or others in Client's event group. Client is responsible for actual damage to Artist products, tools, lighting, supplies, or equipment, except ordinary wear and tear.

Travel and venue costs: The \$150 travel fee is all-inclusive and covers every travel-related cost for the Artist to and from The Statler Hotel service location, including parking, valet, tolls, rideshare, loading fees, room access fees, and any other transportation expenses. No additional travel-related charges will be billed to the Client.

8. Cancellation and Rescheduling

The non-refundable retainer is kept if Client cancels. The parties agree that the cancellation amounts below are reasonable because Artist reserves the dates, may decline other work, and late replacement bookings may be difficult.

Cancellation Timing	Total Amount Owed by Client (Including Retainer)
90 calendar days or more before first service date <i>(on or before June 13, 2026)</i>	\$938.75 — the non-refundable retainer only
31 to 89 calendar days before first service date <i>(June 14, 2026 – August 11, 2026)</i>	\$1,877.50 — 50% of the total contract amount
30 calendar days or fewer before first service date <i>(on or after August 12, 2026)</i>	\$3,755.00 — 100% of the total contract amount

Any amount the Client has already paid (including the \$938.75 retainer) is applied to the total owed above. If the Client has paid less than the amount owed, the difference is due immediately upon cancellation. If the Client has paid more, the excess will be refunded, except for the non-refundable retainer.

A request to reschedule, postpone, change locations, or materially change the timeline is subject to Artist availability and must be agreed in writing. If Artist is unavailable or the parties do not agree to the change, the request is treated as a Client cancellation. In that case, the cancellation tier and total amount owed are determined by the date the Client submitted the reschedule request, measured against the original First Service Date of September 11, 2026.

9. Artist Emergency and Limited Remedies

If the Artist cannot perform due to illness, emergency, family emergency, accident, severe weather, venue restrictions, transportation disruption, unsafe conditions, or any circumstances beyond the Artist's reasonable

control, the Artist will make reasonable efforts to arrange a qualified substitute. If a substitute is available, the Client agrees that the substitute may perform the contracted services.

Client's Remedy — If No Substitute is Available: The Client will receive a full refund of all amounts paid for any services not performed.

Client's Remedy — If a Service is Not Completed Due to the Artist's Own Delay or Inability: Provided the failure is not caused by the Client, guests, venue, access, preparation, timing, safety, or schedule issues, the Client will receive a refund of the amount paid for that specific unperformed service.

10. Photo Consent and General Terms

Photo/video use: Artist may take and use photos or videos of completed services for portfolio, website, advertising, or social media only if Client gives written consent below. Client may decline without affecting services.

[] ***Client grants portfolio/social media permission.***

[] ***Client declines portfolio/social media permission.***

General terms: This Agreement is governed by New York law. The parties will try to resolve disputes informally first. Any changes must be in writing and confirmed by both parties. Electronic signatures are valid. This Agreement is the full agreement between the parties and replaces prior messages, quotes, or discussions. Services will be performed in accordance with applicable health, sanitation, legal, and venue requirements disclosed to Artist in advance.

By signing below, Client confirms that Client understands the non-refundable retainer, cancellation policy, final payment deadline, guaranteed minimum services, late/unprepared client policy, service limitations, allergy disclosure requirements, and no-payment-no-service rule.
